RANJITHPRABHU

Senior Lead Developer & Technical Manager

📞 9790 650 659 ✉ ranjithprabhu.k@gmail.com in LinkedIn Profile ⌨ https://github.com/ranjithprabhuk 📍 Bangalore, KA

SUMMARY

I am a seasoned professional with 8+ years of expertise in web application development. My proficiency spans both frontend and backend technologies, enabling me to deliver comprehensive solutions. My commitment to excellence has resulted in the timely and successful completion of projects, where I have maintained a keen focus on meeting quality benchmarks.

EXPERIENCE

Senior Lead Developer

AppKnit 📅 Nov 2020 - Present 📍 Bangalore, KA

- My role involves requirements gathering, design collaboration, development, and project management.
- Led the onboarding of new team members, providing mentorship & guidance on both technical and project-related matters.

Specialist Programmer

Infosys 📅 Dec 2017 – Oct 2020 📍 Bangalore, KA

- Joined as a consultant via Thought Disrupt company to work on the front-end application using Angular.
- Offered to join as permanent employee because of the performance and took additional responsibilities to engineer the solution end to end.

Software Engineer

Robert Bosch Engineering 📅 Jun 2016 – Aug 2017 📍 Bangalore, KA

- Developed responsive web applications independently for various smart solutions using Angular and Bootstrap.
- Led an 8-member team to successfully develop the end-to-end Active Assist web application, including backend microservices.

Software Engineer

KMIT Solutions 📅 Apr 2015 – Apr 2016 📍 Coimbatore, TN

- Actively collaborated with team members in the development of the frontend application, demonstrating strong teamwork.
